

HUNT VALLEY ANIMAL HOSPITAL

SENIOR WELLNESS PLANS

How Does a Senior Wellness Plan Differ From a Normal Bi-annual Senior Visit?

Our Senior Care Program incorporates a comprehensive physical exam and laboratory testing with additional special diagnostic tools that can be invaluable in revealing important information concerning your senior pet's overall health above and beyond what can be detected by a simple physical exam and your personal observation.

<i>SENIOR WELLNESS PLAN INCLUDES:</i>	<i>PLAN 1</i>	<i>PLAN 2</i>
COMPREHENSIVE EXAMINATION	\$48.00	\$48.00
